Philadelphia, Pa.

Dear Sir:-

I was just talking with Mr. Thomas L. Elder as to whether he was going to attend Henry Chapman's sale on Saturday, December 28th, as I wanted to give him a bid. He said he had sent his bids to you, and gave me your name and told me to write to you. Also to put this bid on his (Elder's) sheet and send the piece to him if obtained and charge to him. I desire to bid on 574 a Bryan piece in lead. This should go for around four of five dollars but I am willing to go up to twelve ($12.00) on this.

Yours very truly,

Curator.
